# Marman Couplers & Seals

**"Uniting, Innovation, Engineering, Manufacturing and Distribution"**

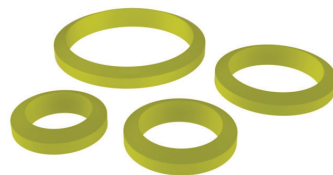

**PowerRail, an M-1003 certified company, offers a full line of Marman Couplings and OEM grade and upgraded VPS Viton Power (High Temperature) Seals.**

Pipe is measured by its I.D. because a marman seal sits on the outside of the pipe, the I.D. of the seal will be larger than the pipe size.

COUPLING ASSEMBLY		COMPONENT REFERENCE	
Pipe Size (in inches)	Pipe Size (in length)	Complete Assembly (OEM Part No.)	Seal (OEM Part No.)
0.5	4.50	8476711	8479519
