

Starter Tech Note

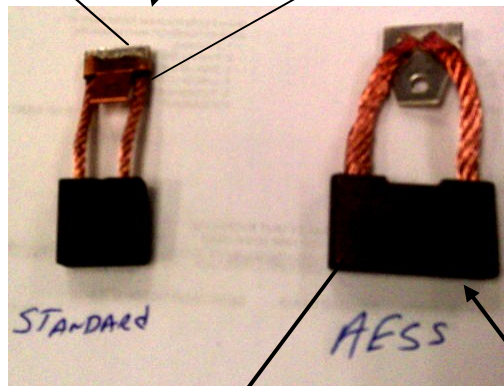

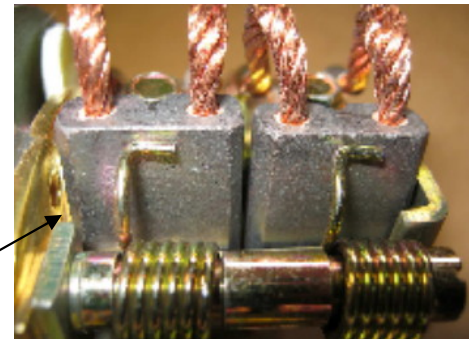

Issue – AEES (automatic start stop system) decrease life on starter due to the drastic increase in duty cycles. Starters are lasting under 1 year due to the AEES application.

Solution – PowerRail has developed the AEES starter on UX basis P/N E8384834AEES-UX.

Features – New Armature, New Solenoid, modified Brushholder and High Amperage Brush.

Standard Brushholder Uses Qty 2 Brushes per Box

E1967354AEES Brushholder uses Qty 1 High Amp Brush
